

Between 2011 and now I have teaching French and music at Lycée Français de Tallinn, Institut Français de Tallinn, Vanalinna Haridus Kolleegium (VHK), Tallinn and Rīgas 1. valodu skola, Riga, Latvia

I graduated in 2011 with a Bachelor degree in Lettres modernes (literature and philology), magna cum laude, University of Poitiers, France and 2018, Master's studies in Anthropology from Tallinn University.

When I am not teaching French, I play the clarinet and bass clarinet. I have long lasting experience with various orchestras and choirs.
